

Carpenter

CIF Construction is a premium heavy civil contractor specializing in concrete and earthworks, delivering high quality projects for a range of industries including mining, oil & gas, forestry, and energy. We are looking for skilled Carpenters interested in working on remote job sites across Western Canada. These positions may require incumbents to travel long distances, stay in camp & work a 14 on/14 off, 10-12 hour/day rotation.

Our Carpenters spend the day playing a crucial role supporting all phases of construction. No two days are the same and we pride ourselves on cross training so we can continually expand our range of expertise.

Workdays include performing tasks such as:

- Reading blueprints and specifications to lay out work that includes calculating quantities, sizes, shapes, and locations
- Building structural formwork for concrete foundations, footings, retaining walls, columns, beams, suspended slabs and shafts
- Placing and finishing concrete
- Providing support with project layout
- Organizing schedules for use of materials and equipment to meet project deadlines
- Safely operating various hand and shop tools
- Maintaining and repairing existing structures
- Working at heights
- Providing support with fabrication during projects
- Working and operating in all weather conditions

For this position you come equipped with:

- Red Seal Certification or current Apprentice Registration
- Demonstrated commitment to working safely
- Valid Fall Protection, Confined Space & WHMIS certification
- Valid Telehandler, Elevated Work Platform & Skidsteer certification
- Valid class 5 driver's licence is an asset
- Experience with concrete, industrial projects & remote job sites are assets
- Experience with Logik formwork is an asset
- Framing experience is an asset
- Valid First Aid certificate is an asset

Working with CIF is an opportunity to combine professional growth with personal fulfillment. Employees benefit from a healthy work-life balance with flexible time off and rewarding compensation that includes RSP contributions & competitive health benefits. We support a culture that prioritizes working safely to ensure everyone can enjoy days off with those most important to them. As an established company with over 30 years of success, CIF offers a stable and trusted workplace with low turnover, thanks to its dedicated team of long-standing employees. Working with us also means the chance to experience some of Canada's most incredible landscapes. If the role and what we offer is what you're looking for, please send your resume to jobs@cifcon.com

The rate for this position is \$49.01 per hour.
